

Game Bird Breeder Layena[®] Product 5438

What It Is...

A complete ration designed to promote optimum fertility, embryo development, egg production and chick vigor in all species of game birds.

Features

Complete feed

High protein (20%)

Optimum levels of amino acids and salt

Consistent Quality

How To Feed...

Feed free choice as a sole ration to birds from one month prior to egg production until production ceases, or until you wish to stop production.

Important Considerations

1. Clean, fresh water should be available to the birds at all times
2. A feeding program is only as effective as the management practices followed.

Caution:

Store in a dry, well-ventilated area free from rodents and insects. **DO NOT** use moldy or insect-infested feed.

Benefits

° Convenient...

...One product will supply your birds with all the nutrients they need.

° Formulated for breeder birds...

...Specifically designed to meet the special dietary requirements of breeder hens.

° Gives you flexibility...

...Breeder Layena[®] Product is suitable for all species of game birds.

° Better performance...

...High protein plus extra vitamins and mineral means that your birds will produce healthier, stronger chicks.

° Reduced risk...

...Proper protein and salt levels provide maximum protection against cannibalism caused by imbalances of these nutrients.

° Provides uniform nutrition...

...You know your birds are getting a complete, balanced ration with every bite.
