## **FOR IMMEDIATE RELEASE**

Grand Prize Winner of the Purina Mills “Your” Story Sweepstakes Chosen.

ST. LOUIS, June 1, 2009 – The Purina Mills Wildlife Group announces the Grand Prize Winner of the Purina Mills “Your Story” Sweepstakes National Contest.

Mr. Curtis Green of Southlake, Texas has been chosen as the Grand Prize Winner of the Sweepstakes. Mr. Curtis will receive a Custom Jeep® Scrambler® outfitted with Custom Observation Racks designed by Rough Country™ Accessories in Ballinger, TX along with a custom Game Guard™ Camouflage Wrap courtesy of Game Guard™ Camouflage. Also included in the package is a ½ Ton Road Feeder Trailer from All Seasons™ Feeders out of San Antonio. In addition Mr. Green will receive Purina Mills AntlerMax® Deer Feed.

Mr. Green owns a 200 acre low fence ranch in Jack County in North Texas. His winning entry detailed the wildlife management program he has in place. It consists of water management, habitat and grazing management with cattle; along with herd management through proper deer density and the use of Purina AntlerMax® Deer pellets. His program has proven you can raise incredible deer on a small low fenced property with great success.

When it comes to wildlife management and taking care of the land, Mr. Green is very passionate. Curtis and his son Carson say they spend every possible weekend at the ranch and are amazed at the quality of animals on the place. They have memories of their time together as a family at the ranch that will last forever.

Purina AntlerMax® Deer Feeds are available exclusively through Purina Mills dealers. For more information go to [www.antlermax.com](http://www.antlermax.com) or call 1.800.227.8941.
